

Agriculture and the Countryside

**Time Allowed – 1.5 hours
Answer TWO questions.**

1. Outline the techniques available to manipulate reproduction in a NAMED farm animal species.
2. Discuss the merits of rewilding predator and non-predator species in rural areas.
3. Discuss the prospects of agriculture after the UK exits the European Union and the Common Agricultural Policy. Comment specifically on the threats and opportunities for the industry.
4. 'Britain has an artificial landscape'. Discuss.
